## MOBILES FOR MONEY

Children Need Families are collecting old mobile phones for use in third world countries.

Every eighteen months mobile phones are renewed and invariably they are left in draws and cupboards doing nothing.

The Mobile Phones we collect will be sent to third world countries for their use and CNF will receive £4.00 for every mobile donated and the funds will help us maintain the service we offer to help Parents and Grandparents maintain and promote parenting time with their children and grandchildren.

We are asking you the public to look out the unwanted and unused mobile phones with or without the chargers or Sim Cards and send them to us or call us and we will collect them.

If you need more information about this scheme then feel free to contact us and we will explain the scheme to you.

If you feel that you might be able to contribute to the work we do you can visit our website at [www.childrenneedfamilies.co.uk](http://www.childrenneedfamilies.co.uk) and check out what we do. 01536 402348
